

Kevin Kelly
Project Executive

kkelly@blrck.com

BIOGRAPHY

Kevin works as a Project Executive on a variety of assignments ranging from ground-up new construction projects to historical renovations. Kevin has gained well-rounded experience in a range of construction project applications over his career. His ability to manage the sequencing of a project, coupled with strong client relationships, makes him a positive addition to any construction project team.

PROFESSIONAL PROFILE

Kevin has over 14 years of construction-management experience ranging from engineering and design to new construction and commercial tenant fit-outs. Kevin excels in managing projects from the early stages of conceptual design through planning and construction. Kevin works together with clients, design professionals and project-related personnel on coordination, scheduling, and implementation of the project details in order to build a successful project.
