To Whom It Might Concern:

I would like to express our sincere appreciation to the Blue Rock team for your professional services rendered during our transition that took place at Art Guild.

The coordination and project timeline managed by Jason Quenzel was thoughtful, brief and accurate. The format of the information was presented in a professional and tracked in a fashion that was supported by photo's to keep us up-to-date on the on-going progress of our project. This method of detailed documentation allowed all parties to feel very comfortable and informed as the project progressed. Jason's high level of expertise and attention to detail kept his team and the associated trades on task and on-time throughout the entire project. Jason and Julio Ciabattoni helped deliver an incredible environment with superior craftsmanship that Art Guild, its customer's and its employee's will benefit from for years to come.

We look forward to working with your company for any of our future needs.

Best Regards,

Douglas R. Zegel
President
