

Cameron Barr
Senior Vice President

cbarr@blrck.com

BIOGRAPHY

Cameron provides various services from preconstruction services, estimating, budgeting to managing projects. He has been employed with Blue Rock for more than 25 years. Cameron has completed projects ranging from \$5,000 to \$141 million and is experienced in large commercial construction, historical renovations, medical facilities, retail, restaurants and fast-track construction.

PROFESSIONAL PROFILE

Cameron has 30 years of construction experience, and always manages his projects with the expectations of exceeding his clients' needs. Cameron has experience from preconstruction services to closing out a project, which includes negotiating final project costs with subcontractors, closeout document, and audit proofing. He excels with budgeting, scheduling, and managing projects.
